Superintendent's Message

A graduation, far from being an end, is the beginning of all your tomorrows. Over the past several years, you have worked and studied, and now you are here ready to begin your lives as members of the adult community.

On behalf of myself, the faculty and staff of the Greater Lowell Regional Vocational Technical School, I wish to each and everyone of you the happiness of a productive life, the respect of your fellow human beings and the love of your family. May the future be yours.

1992: The Year in Review

MIKE TYSON

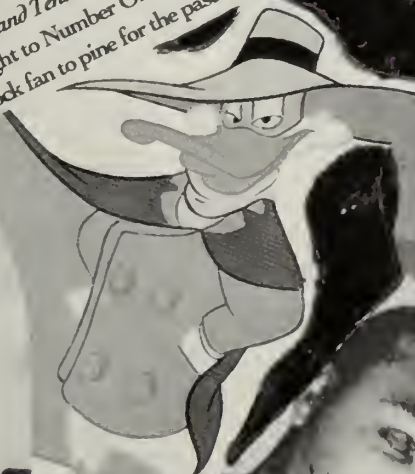

When the Ironman goes to trial next month in Indianapolis for allegedly raping a Miss Black America contestant last July, the prosecution may call several other women who say they were pawed by the ex-champ during the pageant. In a separate civil suit, pageant organizer **J. MORRIS ANDERSON** describes Tyson, 25, as a "serial buttocks fondler." Tyson was also slapped with a paternity/palimony suit by **NATALIE FEARS** and has postponed his next fight against current heavyweight champ **EVANDER HOLYFIELD** because of an injured rib cage. Friends insist that women can't keep their mitts off the big guy, which is why Tyson complains that women are now "taking advantage" of him with lawsuits. Novel defense, that. **42**

pretty: Michael Bolton

When *Billboard* changed its system by which it ranked albums, the music world met the ghost of Christmas future: **MICHAEL BOLTON**. In one week, the string-haired singer-songwriter's record *Time, Love and Tenderness* leapt from Number Eight to Number One, leading many a rock fan to pine for the past.

Axl Rose in St. Louis
Turns out a picture's worth a thousand words, \$200,000 in damages, sixty injuries and sixteen arrests. At the Riverport amphitheater, outside St. Louis, a riot broke out as **AXL ROSE** and his band, *Guns N' Roses*, took the stage. A crowd of 15,000 fans was seen tooting horns and waving flags.

Thanks to security, I'm home," said exiting and lame-ass sect 2500 rioting fans.

Greater Lowell skates past Southie for Div. 5A title

By DAN PHELPS
Sun Staff

DORCHESTER- Word is that Greater Lowell Regional is thinking of starting up a hockey team. Why not? A couple of dozen students from the school proved yesterday they can hold their own on a skating rink. The Gryphons—the football team, that is — slipped and slid to a 19-14 win over South Boston yesterday at White Stadium in Franklin Park to clinch the Eastern Mass. Div. 5A title.

Anyone at the game now knows why it's called White Stadium. The field was covered with patches of packed snow, courtesy of this past week's two storms. It almost looked as though a hockey game broke out at the football game.

"It was like playing at the Janas ice rink," said Gryphon senior quarterback Paul Pilato, who scored Greater Lowell's first touchdown on an 18-yard keeper.

"We should have brought our ice skates," mammoth senior guard Bob Dyment added.

They didn't need them.

With secret weapon Ben Lugo carrying the ball 25 times for 131 yards (and seemingly wearing stick-em on the bottom of his cleats), the Gryphons made a strong case for the start-up of the Greater Lowell hockey team.

Lugo didn't score a touchdown, but if this was a hockey game, he would have had a few assists.

Mike Camara just missed the hat trick, scoring two TDs, including a 1-yard score with just two seconds left in the second half to give the Gryphons a 13-7 lead.

And while Lugo and Camara (22-80) had the grace of figureskaters at times, the Gryphon defense put Southie's vaunted running on ice.

"It was a great effort defensively,"

Gryphon head coach Dennis Murphy said, crediting assistant Joe Kane. "We forced a running team to throw."

The air wasn't a safe way for the Knights to go either, as Greater Lowell came up with four interceptions — two by senior cornerback Jeff Dubey.

Greater Lowell's defense stymied any Southie attempts at a running game. The Knights finished the game with just 15 yards on the ground, and Albert Minor, touted as one of the best running backs in Div. 5, accrued all 15 on 12 carries.

"Walter Van Dinter made some incredible plays," Murphy said of his junior center. "He didn't let Minor get outside of him all day."

Southie did manage to score two TDs on passes, although three passers went just 6-for-22 in the air for 74 yards and the four interceptions.

Greater Lowell got on the board first after sophomore safety Edwin Cruz intercepted a pass from Southie starting QB Keith Lombard at the Gryphon 48 and ran it to the Southie 36.

Lugo and Camara worked the ball to the 18. Pilato called his own number from there, with guards Mike Graham and Eric Marion escorting him in. Paul Silva's kick sailed wide right, and the Gryphons led 6-0.

But on Greater Lowell's next possession, its first of the second quarter, Camara fumbled deep in Gryphon territory, and Southie recovered at the Greater Lowell 13.

With their running game slip — sliding away, the Knights looked shyward, and after two incompletions, Lombard hit Joey Pano for an 11-yard score. Minor's kick gave Southie its first lead.

The teams then traded turnovers, with Southie recovering a fumble after punting the ball away and Greater Lowell's Camara picking off a pass from new QB Rayshaun Triplett.

The Gryphons failed to capitalize on

the interception, but they made the most of the Knights' next mistake. With Southie's Maraland New back to punt from his own 36, a bad snap gave Greater Lowell the ball at the 20.

Again, Lugo and Camara ran through the holes created by the line, and Camara scored from a yard out. Murphy gave Gryphon fans a scare when he didn't use his last timeout with 13 seconds to go, instead having Pilato throw the ball away and use up a down.

"I wanted to show the crowd we knew how to kill the clock," he said with a smile. "We practice that. We wanted to kill the clock and save the timeout and watch the crowd go crazy. We needed the timeout for a field goal. We practice that all the time."

He did, however, call for a timeout after Lugo rushed for four yards, bringing the ball to the 1. With two seconds left on the clock, Camara leaped over the crowd and into the end zone. Silva's kick made it 13-7.

But the Knights came back on their first drive of the second half. Triplett connected with Pano for 20 yards and then, two plays later, with Marko Sretchan for 36 yards and a score. Minor's kick gave Southie a 14-13 lead.

The Gryphons came back with an 11-play drive covering 53 yards. It ended when Camara dove in from about six inches out.

With his team up by five points, Murphy faced a tough decision — try a kick to go up by six points or a conversion to make it a 7-point pad? He went for the two, and a pass attempt failed, giving Southie a chance to win it with a TD with a whole quarter to go.

But the defense dug in and held the Knights, who turned the ball over three times in the final period, twice on interceptions by Dubey.

Hockey anyone?

Soccer

The Varsity Soccer Team ended it's 1991 season with a record of 3-11, despite a losing record, the young Gryphon Soccer Team placed 5 players on the C.A.C. All Star Team. They were Juniors Paul Silva, Celco Alves, John Fagundes and Luis Silva, Along with Senior Shawn Donnelly.

The two goals of the soccer program this year were togetherness and commitment; with only one senior on the squad (thank you, Mr. Donnelly!), there is a positive future for the Greater Lowell Soccer Program.

HELP THE HOMELESS!

Help the homeless! This was the theme for the month of November. Food and clothing bins were set up by the sophomore class for donations in the M.E. Mall. Everyone gave what they could to those who are less fortunate. Many times during the month the bins were overflowing and needed to be emptied! Homeless month was surely a big success. Special thanks goes out to the sophomore class advisors (Mrs. Megdanis and Mrs. Lappin) and the sophomore class officers (president Carlos Cotto, vice president Reagan Pratt, Treasurer Heatha Trigonos, and secretary Kimberly Langan) but most of all the students, staff, and parents at Greater Lowell Regional. Because of the caring people at Greater Lowell we were awarded a plaque of recognition from the shelter.

Another year has ended and with it the approach of the "Famous Final Scene" for another class of seniors. Our graduates are entering a new stage in their lives, one that they may pursue for the rest of their lives. We wish them the best of luck in making all the right decisions. We would like to take this time to thank some of the people who made this book possible.

Mr. David Saul for his assistance with photographs which we missed.

Keith Price the assistant photographer and Sophomore Yearbook trainee. Please come back next year, you are greatly needed

... and the yearbook staff for their assistance and organizing skills. Especially Caroline Bourassa, Tina Rondeau and Brenda Dalli for getting us through the book and for getting me in more trouble than I can get myself — Remember "Jump Jump!!!"

And to all the students who supported "Mrs. Megdanis' Candy Shack" which will be re-opened in the Fall, bigger and better!!

Best of Luck to All of You

Janet Megdanis
Mary K. Lappin
